Notes:
(1) Poor access charge for Long Carry, Commercial Building and No Direct Lift Access, applies based on move load on a per location basis.

- Long Carry (items have to be pushed $>100 \mathrm{~m}$ to/from loading/unloading vehicle or up/down carpark ramps)
- Commercial building (commercial office building, shopping malls, exhibition halls, schools, campus),
- No Direct Lift Access (items have to be carried up/down stairs where lifts are not available)
- Surcharge Location Zone (Sentosa, Jurong Island, camps, airports, immigration checkpoints, ports, Expo)
(2) Packing (by carton) is the additional labour fee for packing loose items into cartons but does not include the carton itself. Cartons are to be purchased separately at additional fees.
(3) Definitions of handling charges include but not limited to:
- Fragile items (items with glass/porcelain/china/marble parts that measure 0.8 m in any dimension);
Overweight item (items weighing $>100 \mathrm{~kg}$ );
- Oversize Item (items measuring $>2.2 \mathrm{~m}$ in any dimension, and/or cannot fit into lifts);
- Specialised handling (pianos, curved TVs, chandeliers, altars, arched lamps, etc);
- Disassembly / Assembly (items including sliding door furniture, system furniture, bunk/storage/postal beds, storage shelves, etc)
- Stair carry: Carrying of items up/down stairs within the location
